About the Apple Parade

This public art installation will be on view around town from early summer through the fall. Each of several apple sculptures will be painted or otherwise embellished by a local artist.

A group of 2025 MaArCo Apple Parade artists at Cluett Schantz Memorial Park. Last year's event raised \$4000 for local food pantries!

Apples represent Marlborough as a source of physical and spiritual nourishment. Sculptures will be available for advance sale and auctioned in the fall. 50% of proceeds benefit the artist, 25% are donated to a charity of the artist's choosing, and 25% reimburse MaArCo for project costs.

Donations of any amount are welcome! Donors who give \$100 or more can include a name, business, or dedication, on the accompanying plaque.

Donor Levels

Bronze: \$100; Silver: \$200; Gold: \$300
